 - _____ what is pure.

Consider: Understand Their Heart (2)

- We don't generally _____ our responses.
 - We typically respond according to our _____
 - Our intuitive responses help us _____ how our hearts are functioning.

- We are responsible not just for our immediate responses, but our _____ that lead to those responses.

- What questions can help us understand the condition of our hearts and the responses that flow from them?
 - **Circumstances:** How is the way they are making sense of life motivating them in ways they may not realize?

 - **Others:** How are others influencing them in ways they are not aware of?

 - **Self:** What do they need to acknowledge about the identity they have constructed of themselves?

 - **God:** What do they need to see more clearly about their understanding of and disposition toward God?
