

Dig and Discover

Staying on the Line

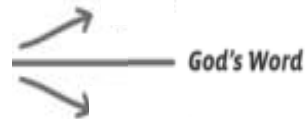

1. **Structure** = the manner in which a passage is organized.

2. **Emphasis** = the subject, idea, or action that the author makes prominent.

3. **We have a responsibility to . . .**

- ◆ We must “_____”
- ◆ _____ is the fruit of going above the line.
- ◆ _____ is the fruit of going below the line.
 - Both are a _____ of the Word of God.

Examples:

- ◆ Genesis 3:1-3
- ◆ Matthew 19:3-9
- ◆ Ephesians 5:18

Our responsibility: 2 Timothy 2:15

- ◆ Ask: Am I saying more than what is written?
- ◆ Ask: Am I saying less than what is written?

Dig and discover to see the glorious truths of Scripture for yourself.

- In your Bible reading this week, consider what it would look like to move from “the line.”
 - ◆ How might someone mistakenly say more than the passage is teaching?
 - ◆ How might someone mistakenly say less than what the passage is teaching?
