Jesus _____ of a blind man.

He restores our eyesight _____ and

sharpens it _____

Next Steps

Because of what Jesus has done for me and what I heard today,

- I will turn from my sin and trust Jesus to forgive me of my sin, take away my guilt, make me acceptable to the Father, and give me new life.*
- I will pay close attention as I read my Bible this week to notice the many ways God demonstrates His love and care for me, and I will give Him praise in response to what I see.*
- I will examine what I expect from God to see if I want Him to play my game or if I am truly submitting myself to His way of doing things.*
- I will pray that God will help me see His truth more clearly and that I will continually grow in my understanding and application of His Word.*
