

## Help and Hope for a Brighter Day

God calls His church to be a source of help and hope for a brighter day.

The brighter day is the new, eternal, and abundant life that Jesus promises (John 10:10).

- It is a life marked by the \_\_\_\_\_
- It is a life of \_\_\_\_\_ where the old is consistently exchanged for the new as hearts and minds are renewed.
- It is a life that \_\_\_\_\_ where death, mourning, crying, tears, and pain are no more.
- It is a life where \_\_\_\_\_, where believers see the face of Jesus, and where there is no need for the sun.

We make lives brighter by loving others wisely with grace and truth so that they know, love, and live for Jesus.

- We are called to \_\_\_\_\_
- We are commanded to \_\_\_\_\_
- We are commissioned to \_\_\_\_\_
- We are called to \_\_\_\_\_ unbelievers from the darkness by the power of the gospel.
- We are called to \_\_\_\_\_ believers in the light by the power of the gospel.
- We are called to speak **God's Word** in \_\_\_\_\_ on **God's Spirit** to accomplish **God's purposes** in **God's time**.

*God, help us to be faithful instruments of help and hope for a brighter day as we love others wisely with grace and truth so that they know, love, and live for You.*
