Discussion questions from the message.

1. Would you consider yourself an introvert or an extrovert? What are some differences between the two? What impact should your identity as an introvert or extrovert have on your obedience to Christ?
2. Read John 4:1-6. What does verse 6 say about Jesus? What is the significance of this theologically?
3. Read John 4:7-15. What is significant about Jesus asking a Samaritan woman for a drink? (consider her response). What can we learn from Jesus' interaction with this woman even when he is weary (see sermon notes).
4. What similarities do you see between the woman's response to Jesus' teaching here and Nicodemus' response in 3:4? What does Jesus mean by never thirsting again? Is what He is saying true? What should this look like in the life of believers? What does it look like in your life?
5. Read John 4:16-26. Why does Jesus bring up the issue of her husband? What does her pursuit of men say about her? What seems to be going on with her shift of focus to the place of worship? How does Jesus use the idea of worship to further explain to the woman what she needs? What does it mean to be a true worshiper? How do we become true worshipers? What is the result of becoming a true worshiper? Do you want this for others? What are you doing to help others to never thirst again?
6. Read John 4:27-38. What does Jesus mean by His food is to do the will of the one who sent Him? What are some of the things that are "food" for you? What responsibility has Jesus given to us (v. 38)? How can we do a better job of living this out?
7. Read John 4:39-42. What impact did the woman's testimony have? What had a greater impact? What does this teach us? Can you share your testimony of salvation in 2 minutes? Can you share the gospel in 2 minutes? Go!
